Dear students

Greetings and blessings from all of us at SANSKRUTI.

Hope you all must be keeping well and attending all your classes.

Children with due reference to the CBSE'S following circulars we need to inform you about importance of your daily attendance and completion of assignments ,activities, home fun and assessments etc. in time.

The circulars are: No.-CBSE/CE/2021 (01.05.2021) No.-CBSE/CE/2021(17.06.2021)

Through above circulars it is clear that for the declaration of result of final board examination not only the final examination of that class is important but significant weightage is being given to all kind of assessments throughout the session , even the result of previous classes is carrying a specific weightage. Thus you all have the golden opportunity to enhance your result in all aspects. Keeping in view the present scenario we can't expect and estimate the future ways of learning and assessment. It MAY BE ONLINE or IT MAY SWITCH to offline but importance of school based internal assessments will never lose their importance.

So it's better to keep pace with everything everyday, attend your classes unfailingly and take all assessments as final exams and do your best in them.

With lots of love, care concern and blessings we wish a Happy Learning to you all for session 2021-22.
